All are welcome at Christ's table

Because this is the table not of the church
but of God,

And it is made ready for those who
love God and those who want to
love God more.

So come,

Those of you who have much faith and those
of you who have little,

Those of you who have been here often and
those of you who have not been here at all,

Those of you who have tried to follow and
those of you who have failed.

Come.

For it is God who invites you and who longs
to meet you here.

Children & Youth Formation

*Contact Lauren Dockery, Director of Children and Youth Ministries, for more information:
LDockery@StPaulsCLE.org*

Godly Play (Pre K–grade 3) uses a Montessori-based approach to spiritual formation that respects the innate spirituality of children and encourages curiosity and imagination in experiencing the mystery and joy of God. Each week we share sacred stories, enjoy self-directed creative activities, and grow as a faith community. St. Paul's offers Godly Play classes for preschool through kindergarten-aged children, and for children in grades 1–3.

Workshop Adventures (grades 4–6) is a thematic and story-based curriculum designed by our St. Paul's team to build community and encourage authentic engagement with the language of faith. In each session, we connect with each other and explore biblical stories through projects that challenge our minds, hearts, and imaginations. We study scripture, make videos, practice sign language, build cities, take field trips, play games, and experience God.

Rite 13 (grades 7–8) focuses on communal and individual identity-building, creativity, and growing independence. **Journey to Adulthood** (J2A) (grades 9–12) emphasizes building skills for adulthood, understanding the importance of Christian community, and serving the world's needs. Both curricula celebrate the gifts each participant brings as a young leader in the community. They encourage youth to step into greater responsibilities in our church, such as Acolyte Captains, Head Choristers, Youth Vestry representatives, and participants in St. Paul's committees.

Youth Confirmation Classes (grades 9–12) is a one-year opportunity for youth in grades nine and up to question and explore the foundations of our faith. Youth meet with clergy and staff to discuss scripture, explore the Episcopal tradition, and connect it with their lives.

Children and Youth in Worship

Acolytes participate in the procession and assist at the altar for worship services. Acolyte roles include torch bearers, Gospel book bearers, crucifers, and more.

Lectors and Intercessors read the lessons from Scripture (lector) and lead the Prayers of the People (intercessor) during worship services.

Children & Youth Fellowship

*Contact Lauren Dockery, Director of Children and Youth Ministries, for more information:
LDockery@StPaulsCLE.org*

The Village is a fellowship group for families with young children. We gather for minor holidays like Halloween and Valentine's Day for casual parties. Crafts and activities are provided to entertain the children, giving parents a chance to catch up. This is a great way to get to know other church families in a casual setting.

TotalChaosInTheNameOfTheLordAmen! (or "Total Chaos" for short) is our fellowship-focused youth group for grades 4–6. Total Chaos meets several times a year for fun activities like bowling, sledding, laser tag and more. This pre-youth group provides opportunities to make new friends and develop a more profound sense of community outside the church building.

Christian Action through Student Theater (CAST) allows youth to produce, direct, act, serve as tech and stage crew, and sometimes write annual productions of a Winter One-Act and a spring musical. Adults serve as coordinators, music directors, and tech advisors to support these efforts.

Youth Group (grades 7–12) meets every Sunday evening during the program year for fellowship and fun. The teens play games, prepare and share a meal, sing songs, and more. Youth Group is a safe space to spend time with church friends and relax after a long week of school and extracurriculars.

Giving to St. Paul's

Contact Pam O'Halloran, Director
of Operations, for more information:
POhalloran@StPaulsCLE.org

Members share responsibility for all aspects of the church, including ensuring its financial health. We call this "Stewardship." Seventy-seven percent of St. Paul's budget is supported through annual gifts from current parishioners. The primary vehicle by which these funds are raised is through the annual giving campaign in the fall, where members are invited to make a pledge for the coming year. Even though the campaign is in the fall, new members are invited and encouraged to pledge at any point during the year.

What is a pledge?

A pledge is the sharing of our gift intentions, what we hope to offer to the church during the year.

Why do we pledge?

We pledge for two reasons: first, our pledges enable our parish leaders to create responsible, informed budgets. Second, and more importantly, pledging for the coming year provides the giver the opportunity to offer to God from their "first fruits" — not from what is leftover.

How much do we pledge?

We suggest proportional giving. Decide on a percentage of your annual income to give and set a goal to increase as you are able.

How can we give to St. Paul's?

Gifts can be made by putting an offering in the plate each week (personal envelopes can be provided), setting up an auto-debit with our controller, making a credit card gift online, or through gifts of stock, an IRA distribution, or donor-advised fund.

Where do our gifts go?

Gifts support all operations of the church including the clergy, outreach activities, education programs, and facility maintenance. A portion is also given to support the diocese and the national church.

What are the other sources of income?

St. Paul's receives approximately 23% of its annual revenue from endowment and trust income and space use fees. The balance comes from our current members.

How do I join the parish?

There are several ways to join the Episcopal Church. One is Baptism, a sacrament performed by a priest or a deacon. When you are baptized in an Episcopal Church, you become part of the Body of Christ and a baptized member of that parish.

We do not re-baptize people in the Episcopal Church. We recognize all baptisms done with water “in the name of the Father, and of the Son, and of the Holy Spirit.” If you are unsure whether you were baptized, you can be baptized with a “conditional baptism” — there’s a separate prayer for that as well.

Another way to join is through Confirmation, a sacrament that is an “adult” statement of faith, a renewal of your baptismal covenant. Only a bishop can lay hands on someone for confirmation in our tradition. When you are confirmed at St. Paul’s, you become a confirmed member of the parish. When we know the bishop’s visitation date, a confirmation class (“Episcopal 101”) is announced for interested parishioners. Youth confirmation is offered as well (see our Youth page for more). Confirmation is required for many leadership positions, including Vestry members, those who assist in worship as lay readers, chalice bearers, and lay eucharistic visitors. There is usually at least one opportunity for confirmation each year.

Please also consider making a financial pledge to the church as a sign of your commitment to the community.

What if I was confirmed in another denomination?

If someone comes to the Episcopal church from the Roman Catholic Church (or another tradition in the Apostolic Succession) and has been confirmed, they can be “received” into the Episcopal Church by the bishop (in the same service as confirmation). If someone was confirmed in a tradition without Apostolic Succession, we do not recognize that confirmation as a sacrament so they would be confirmed in our tradition, by our bishop, who is in Apostolic Succession.

How do I join St. Paul’s if I’ve been a member of another Episcopal church?

You should notify your previous parish and request a “letter of transfer” from them. This applies only to Episcopal parishes. If you need assistance with a transfer, call our church office: (216) 932-5815.

How is the Episcopal Church governed?

The Episcopal Church is governed democratically and functions at three main levels of organization: national, diocesan (regional), and local. The national church is governed by our presiding bishop, the Most Rev'd Sean Rowe. The diocesan level is governed by our bishop, the Rt. Rev'd Anne B. Jolly. The local level is then divided into individual parishes. Our rector, the Rev'd T.J. Freeman *SMMS*, leads our congregation.

What is the Vestry?

The Vestry is our governing body of the parish. Made up of members representing the congregation, the responsibilities of the vestry are to help define and articulate the mission of the congregation, to support the church's mission by word and deed, to select the rector, to ensure effective organization and planning, and to manage resources and finances.

Is there a newcomer class?

Newcomers are invited to a four-week series (called St. Paul's 101) to get to know the ministries and operations of the church. Each week includes opportunities to engage with a different area of ministry while getting to know the staff, clergy, and fellow newcomers of the parish.
